## Interstate 80 Riverside Avenue On/Off Ramps To Close

**Roseville** – The California Department of Transportation (Caltrans) is alerting motorists that on Interstate 80 starting on Friday, August 21 at 10 p.m. and continuing until 5 a.m. Monday August 24, the westbound on and off ramps to Riverside Avenue will be closed. The westbound onramp will also be closed from 10 p.m. Friday, August 28 to 5 a.m. Monday, August 31.

Motorists are advised to use either the Douglas Boulevard or the Antelope Road interchange as an alternate route. The closure is necessary to reconstruct the ramps and is part of the Sacramento/Placer Interstate 80 Operational and Improvement Project.

Roadside message boards will be used to post the latest information. Unexpected weather may prolong or cause the work to be rescheduled. Caltrans urges motorists to use caution in this area and to "Slow for the Cone Zone".
